*Through the gateway of feeling your weakness lies your strength;
through the gateway of feeling your pain lies your pleasure and joy;
through the gateway of feeling your fear lies your security and safety;
through the gateway of feeling your loneliness lies your capacity to have fulfillment, love and companionship;
through the gateway of feeling your hate lies your capacity to love;
through the gateway of feeling your hopelessness lies true and justified hope;
through the gateway of accepting the lacks of your childhood lies your fulfillment now.*
